Will I pay Goods and Services Tax (GST)?

This insurance invitation has provided for payment of Goods and Services Tax:

- By you in relation to premiums
- By us in relation to claims depending on the type of claim

GST is included in the amount payable. However it is adjusted for Wholesale Sales Tax (WST) and changes in other taxes and has only been charged for period of cover beyond 1 July 2000.

Professional Advice

If you are a business that will be registering for an Australian Business Number (ABN) with the Australian Taxation Office, we strongly recommend that you seek professional advice on the GST implications for:

- Premiums from your accountant/financial adviser
- Claims liabilities from your insurance broker or agent.
